

Call for Application - Newton Fund - Researcher Link Workshop Grants

British Council in collaboration with Royal Society of Chemistry is delighted to announce **Newton Bhabha Fund Researcher Links Workshop Grant** to bring together early-career researchers from India and the UK to build international connections which can support them in improving the quality of their research. Once funded, grants are available for early-career researchers in India and the UK to attend the workshop in the hosting country.

How to Apply

- Leading Researchers who meet the criteria of “Leading Researchers R4” as defined by the European Commission are welcome to apply as workshop coordinators.
- Each proposal must have one workshop coordinator from the UK, as well as a workshop coordinator from India.
- Please see list of eligible UK research institutions
- ODA requirement: All applications must meet the required relevance to economic development or social welfare (see guidelines for further information) of the partner country.

Priority areas: Within the chemical sciences proposals, the following challenge areas are particularly welcome: Research with relevance to the below areas at the Chemistry-Biology interface, the Chemistry-Materials interface and the Chemistry-Environmental Science interface are also welcome

- Human Health – e.g. Antimicrobial resistance, neglected diseases, medical chemistry, bio-materials, HIV/AIDS, malaria, tuberculosis, neglected tropical diseases, child mortality, maternal health
- Energy – e.g. sustainable fuels, chemicals and energy storage.
- Climate, Environment and Sustainability – e.g. climate change, green technology, sustainable development, ecosystem services, resource scarcity, new materials, nanomaterials, water quality, climate, agriculture, air.
- Sustainable energy for all
- Water and sanitation
- Food and

Deadline

13 June 2017, 16.00 (UK time)

Eligibility & Forms : Please [click here](#) to view Guidance Notes, Application Form and other details on eligibility.

Contact : All queries or comments about this call should be addressed to the Researcher Links email address UK-ResearcherLinks@britishcouncil.org and / or purti.kohli@britishcouncil.org." purti.kohli@britishcouncil.org. Please specify that you are enquiring about the Newton Researcher Links Workshops call.

Regards,
UKIERI Secretariat
